Create Keystone ID: General Information

2.

Welcome!

The Commonwealth of Pennsylvania is improving how it provides online services to citizens! Several state agencies are working together to allow you to establish a Keystone ID which creates a single way to access several different state programs. Currently, the Keystone ID that you create and manage here can be used for:

Child Welfare Portal

Users of the Child Welfare Portal can apply for a Pennsylvania child abuse history clearance or submit child abuse referrals.

SERS' Online Member Services

Members of the State Employees' Retirement System can get statements, run estimates, and more.

If you already have signed into any of these programs, you do not need to create another one now. Simply use the user name and password you've already established to access all of these services. Keep in mind that if you change your password or any other profile information in any one of these programs, the changes you make will apply to all programs that use the Keystone ID.

Keep an eye out for the Keystone ID sign-in on more state websites in the future. It's just another way the Commonwealth of Pennsylvania is working to serve you better.
